ORDERING INFORMATION

Please include the following information when ordering a branding iron

1) A drawing of the brand requested. 2) Dimensions of the brand, please state the dimensions in either the overall size or the character size. 3) Type of branding iron ie, Electric, Freeze 4) Name, address and phone number. 5) Credit card information 6) If ordering from an existing L-H Brand, please take the serial number off of the iron. The serial number can be found on a brass plate on the handle of the iron. If you wish to either duplicate the iron as is or make the new iron in different size, the serial number will give us the information we need to reproduce the brand for you..
